

Summer Camp Adventures

Pack 3371 Cub Scouts enjoy the fun and excitement of summer camp whether it is Adventure Camp or Day Camp.

Every day is packed full of fun-filled games, crafts, and activities. Scouts enjoy archery, arts & crafts, BB's, nature hikes, games, Scout Skills, and swimming. Scouts attending Adventure camp also camp during the event.

While doing all of these fun things, scouts learn self-confidence and build friendships.

Pack 3371 Activities

Pinewood Derby - Cubs build and decorate 7" pinewood cars and race them down a 32-foot track, a classic event that's fun for all.

Who We Are

Pack 3371 is open to all 1st through 5th grade boys regardless of school attended. Many of our cubs attend Edgelea, Wea Ridge, Earhart, New Community, St. James and Lafayette Christian.

Our pack has about 70 boys organized by dens. Each den consists of boys who are at the same grade level. Dens are a great way to make and stay in touch with friends. Boys may join at any grade, whether or not they've been scouts before.

- 1st-graders are in Tigers
- 2nd-graders are in Wolves
- 3rd-graders are in Bears
- 4th-and 5th-graders are in Webelos

Our leadership consists of mothers and fathers, aunts and uncles, and even a few grandparents!

Our affiliations - Christ United Methodist Church is officially our sponsor. Pack 3371 is in the Wabash Valley District of the Sagamore Council, BSA.

What Pack 3371 is Not

Not exclusive - We welcome boys and families of all backgrounds.

Not particularly religious - Scouting intentionally embraces all religions and offers achievement awards for learning about 25 of the world's religions.

Not day care - You should attend the meetings and events, and be with your son. Cub Scouting is generally not a drop-your-son-off activity. Our activities are parent / son oriented. Parents provide our pack and den leadership, and everyone is expected to do their part to help run pack and den activities.

Achievements and Awards

One of Scouting's biggest benefits is the structured exposure to skills and practical knowledge that can help boys mature in family life, at school, and in the community.

The youngest Scouts can earn recognition for achievement in Family, Den, or Go-See-It activities. They participate in all scouting events with an Adult Partner (usually Mom or Dad).

As Scouts grow, they can learn essential skills and enjoyment of outdoor activities, community involvement, personal safety, sports, and the environment. They earn emblems of recognition as they progress throughout the Cub Scout achievements and electives for their age group.

All Scouts can earn recognition for 24 different sports accomplishments including virtually every ball sport plus skating, fishing, and swimming.

Academic accomplishment is also very important with recognition of accomplishment in 16 areas including: Art, Astronomy, Chess, Computers, Geography, Heritage, Language and Cultures, Map and Compass, Music, Mathematics, Science, Weather and Wildlife Conservation.

Webelos are the oldest Scouts and can earn 20 pins signifying their proficiency in Physical, Mental, Community, Technological, and Outdoor activities. The Webelos program also prepares boys to join Boy Scouts at the end of fifth grade.
