Dear Webelos 2 Den Parents –

We just had our fourth Den meeting of the year. We did *almost* all of the Handyman badge. The one item remaining must be done at home: Your son has selected one of his at-home responsibilities and committed to doing it well for two weeks. Please go over his worksheet with him, and help him to remember and follow through. Please return the worksheet, with your signature, once he has completed the task.

A number of our boys visited with **Troop 335** yesterday night, and helped plan our camping trip with them. They have invited us to camp with them at Cary Camp on **October 8-9**. The details are in an attached sheet, and a permission slip is also included. The cost for this trip is **\$12.00 per person** (Webelos and/or parents), and you should make checks payable to **Troop 335**. The **registration deadline** is next week's den meeting on **Wednesday, October 5th**, so the troop can purchase food for everyone.

The **Battle of Tippecanoe Camporee and Hike** will be on **October 15th**. This is not a Pack event, but a number of our boys are going on the hike. More information is on the Pack website at <http://www.pack3371.com/Calendar/2011-10-15.Camporee.asp>.

The annual **Webelos Midway** will be **October 28-30** this year, at Cary Camp. Midway is an opportunity for the boys to go camping and to work on several activity badges. This is a good way for boys who have been busy with fall sports to make up some work. "Early Bird" signups for the Midway were due at the den meeting today. If your boy wanted to go, but couldn't make the meeting, he can still register. You should do so as soon as possible, so that he is more likely to get into the sessions that he wants.

The annual **Haunted Trail** event is from 7-9 PM on the 29th at Cary Camp. Information on that is included with the Midway packet.

Thank you for helping your boy with Scouting.

Jeff Rattray, Webelos 2 Den Leader
