

Pack 3371
Christ United Methodist Church
Lafayette, IN

November 9, 2011

Dear Webelos 2 Den Parents –

We just had our ninth Den meeting of the year. We finished work on the **Scientist** badge. I would like to thank Dr. Maris Cinelli, Purdue University Department of Medicinal Chemistry and Molecular Pharmacology, for visiting with our boys and talking to them about scientific research.

As a reminder, if you are camping with Troop 372 this weekend, the rendezvous is at 6:15 PM on Friday, November 11th, on the north side of the Home Depot parking lot.

Next week, on November 16th, we will have a **Pack meeting, starting at 6:30 PM**. A number of our boys should be receiving advancement awards, and our den will present some skits. Please be there to support them.

There will be **no meeting on Wednesday, November 23rd**, due to the Thanksgiving holiday. Enjoy the time with your families. Our **next den meeting** will be on **Wednesday, November 30th**, at 6:00 PM as usual. We will be working on the **Communicator** badge.

The date and time for our **popcorn distribution** have been set. Please pick up your popcorn order from **4-7 PM on Friday, November 18th at CUMC**. We would like to have done this at the Pack meeting on the 16th, but the popcorn won't be delivered to Lafayette until the 17th.

Mr. Poad and I have been keeping track of what all of the boys in the den have done. At this point, it looks like all of our boys can finish up their Arrow of Light by the Blue and Gold banquet in early March. If your boy has missed some meetings, we will get you a list of what he needs to do to catch up in a few weeks, at the start of the Christmas break.

Thank you for helping your boy with Scouting.

Jeff Rattray, Webelos 2 Den Leader
