Visiting Troop 372

Troop 372 has invited us to visit with them on **either October 27th or November 3rd**. October 27th is the night before Midway, so it will probably be easier to visit on November 3rd. They meet at **7:00 PM** at our own Christ United Methodist Church (CUMC), so there is no map for this one!

About Troop 372

Troop 372 is chartered to Christ United Methodist Church and meets there every Thursday (except the second Thursday of the month) from 7-8pm. Troop 372 is boy-run, with the youth doing and deciding almost everything within the unit. The youth that currently make up the troop come to us from 3 different school systems and 4 different cub scout packs and range in age from 11-17. You have probably already met at least a few of their youth as they have some that will serve as staff at the cub scout adventure and day camps and Haunted Trail.

Troop 372's monthly activities include but are not limited to day trips, camping and service projects. They currently attend summer camp at Hugh Taylor Birch scout camp in Yellow Springs Ohio, just east of Dayton. Their upcoming schedule includes a ski trip, a ropes course and a possible trip to Ace Adventure Resort in West Virginia (white water rafting, ziplining, mountain biking, hiking, rock climbing, swimming, horseback riding, etc). They have had both youth and adult in attendance at the last two National Jamborees and currently have a couple of youth who have signed up to attend the next one in 2013. The troop also has a direct connection with Venturing Crew 2372. If you haven't heard of the Venturing program, just ask them.
